# STUDIO POLICIES

Tuition is an hourly price based on 35 classes per school year which we have divided into 10 equal installments. A discount is offered if the entire year is paid in full.

Tuition is due the 15th of each month. If tuition remains unpaid after the 25th day of each month, a \$20 late charge will be assessed. Each account holder must provide the studio with a debit or credit card. Checks are accepted but must be received before the 25th of the month to avoid charges going on your credit card. If tuition is not paid by the 25th of the month your card will automatically be charged on the 26th of the month for tuition and the late fee. It is the account holder's responsibility to keep payment information current. No refunds will be given for registration fees or tuition. We do not pro-rate or refund for missed classes. Students may make up missed classes within a 2 month period.

Please inform us when your child will be absent.

No gum, food, drinks or smoking allowed. Water is permitted and encouraged.

Students are to arrive on time for class (missed warm-up can result in injury) and picked up on time.

Encore and its employees cannot be responsible for your personal property.

Excellent attendance is required to be a part of our annual recital. Excessive absence may result in dismissal from the performance.

Incase of inclement weather we will leave a voicemail on our answering system and we will also send an email letting you know whether or not classes are cancelled.

Withdrawals must be submitted in writing
